

CALIFORNIA FIREMEN'S MUSTER ASSOCIATION

May 2008

President Message

Can you believe that March has been here and gone already, the March meeting went well with 27 member teams present. It was good to see many old friends and to meet new ones also.

First of all I would like to thank Woodland Ave. Fire District for allowing us again to use their station for this meeting.

I would like to extend a big welcome to a new team to our family, Wilton Fire District, which is east of Sacramento and Elk Grove.

Information was handed out about some used fire equipment such as a hose cart (that was pick-up by Wilton Fire) that was in Daly City, and a fire truck in Cloverdale.

Updated information was given out about our 2008 muster season, that soon will be upon us, and some discussion about 2009 muster season because we still have only 2 musters at this time.

Our first muster will be the Murphy's Muster June 21,22,2008 I hope to see a lot of you there.

Do not forget to check out the web site for any updated information.

Mike Paul

Muster Shirts

If you have old favorite muster shirts that are past being worn out in public or some that don't fit just right any more you can donate them to quilt making. If the logos are still in good shape they can be recycled into quilts. If you have any shirts you would like to donate you can bring them to me at the Musters.
Thank you, Pauline.
