MUSTER SEASON 2006

Hello everyone,

The March meeting signals the start of a new muster season. Everything is in place and set to go. Your muster hosts are ready to have fun.

Thanks to all that could attend the meeting. Thank you Vice Presidents, Directors, staff and committee members for all you do. Our meetings were short and business taken care of.

Our thanks to Dennis Crook and Woodland Ave. Fire Department for hosting the meeting. Great job.

The CFMA calendar will be printed again this year so get your requests in to reserve a copy.

Welcome to our two new members, Two Palms Fire Company, Lincoln, CA., and Tuttle town Fire Department, Columbia, CA.

We have two new directors on the course this year, Ray Camagna from Hughson and Tim Franks from Lindsay. Welcome.

Take care everyone and see you all in Suisun.

The CFMA membership is getting smaller. Take the time to encourage a past member to come out again. You might invite one of your neighbor communities to join in the fun of mustering.
